UPDATE FROM SUPERINTENDENT WAYNE GDOVIC

South Park High School Families:

I wanted to provide you with an update regarding the rumor of an alleged threat at South Park High School. I have been in constant communication with the South Park Township Police Department. Police have told me that at this point in their investigation, they have found no credible threat, and that the rumors of one have not been substantiated. I want to thank the South Park Township Police Department for its immediate response and ongoing investigation.

The South Park School District responded in an abundance of caution to ensure the safety of our students and staff.

Thank you for your patience and understanding, as together we work to maintain a safe school environment.

Sincerely,

Wayne P. Gdovic
Superintendent of Schools
South Park School District
