South Park School District

February 1, 2017

South Park Families:

At 12:15 p.m. on Wednesday, February 1, 2017, I was made aware by Allegheny County Police of drug-related allegations against Angela Singer, South Park High School guidance counselor. The employee has been on leave since mid-January and has had no contact with South Park students since that time. Upon notification of these allegations today, the employee immediately was suspended pending the results of the investigation and will have no contact with South Park students. Due to the ongoing investigation, I cannot comment further.

The safety and welfare of our students and staff has been and always will be the top priority of the South Park School District.

Sincerely,

Wayne P. Gdovic
Superintendent of Schools
South Park School District
