

Choice Board

You can complete any of these activities on the Choice Board. This is an optional activity.

I SPY Pick an object and use descriptive words to help a family member locate the item.	Board Game Choose a board game to play with your family.	Spelling Words Write your spelling words with chalk outside, or you can write them with markers and crayons on paper.
Family Movie Night Watch a movie with your family. Discuss the story elements with a family member (characters, plot, setting, problem and solution).	Read a Story Read a story with a family member. Summarize the story and draw a picture of your favorite part. *You can visit websites that offer free resources and books.	Write a Story Write a story about you! Draw a picture to illustrate a scene in your story.
Acting Create a mask or costume with items around your house. Act out a scene from a movie or book.	Animals Research your favorite animal. Share facts with a family member.	Dance Have a dance party with your family! Ask your family about their favorite music when they were your age.
Craft Make a craft out of items you can find in your home.	Build Build an object with items found in your home. Create a plan and make revisions.	Write a Letter Write a letter to a family member or friend.
Flashcards Create flashcards with your math facts or 2 nd grade high frequency words.	Sequel Read a book and think about what the sequel of the book would look like. What would happen next? Would you add new characters?	A New Game Create a new game to play with your family. Write the instructions on how to play the game.
